

# DEDI FIRMANSAH

Junior Barista

## Personal Profile

I am a fresh graduate with a strong interest in the world of coffee and the food & beverage industry. I am an enthusiastic person who enjoys challenges and quickly adapts to new things. With a high spirit of learning, I am ready to grow and make the best contribution in a professional work environment, especially as a novice barista.

## Education

### Bachelor's Degree in Information Technology

UNIQHBA – Faculty of Science & Technology  
2020 – 2024

### MAS Qamarul Huda Bagu

MIA (Mathematics and Natural Sciences)  
2017 – 2019

## Ability

- Prepare and serve coffee beverages according to SOP.
- Operate and calibrate espresso machines.
- Milk Steaming & Basic Latte Art.
- Mixing Coffee Drinks and Menu Creation.
- Customer Service and Bar Management.
- Equipment maintenance and workplace cleanliness.
- Manual brewing techniques (V60, Kalita, Aeropress).
- Basic understanding of coffee and post-harvest.
- Team coordination and daily operations.

## Interest & Hobby

In my free time, I like to spend time reading, doing photography, videography, and traveling as a way to broaden my horizons and gain inspiration.
